Subject: Concerning Empty Containers

Reference: Announcement numbered MIP-E-100033-012-20/1309 dated 05.05.2023

MIP has updated the “Empty Container Storage Free Working Stock Scale” as attached entering effect as of 01.04.2024 and valid until 31.03.2025. The conditions will be as below:

1. Transshipment containers are not included in the empty container storage free working stock volume.
2. In case the empty containers leave MIP via highway or railway, they need to return to MIP via highway or railway to be loaded onto vessel. If such empty containers do not return to MIP to be loaded onto vessel within the contract period and within the following two months of the end of the contract period, the empty container storage fees as per tariff will additionally be applied for the period stored in MIP.
3. Empty containers will be assigned by MIP.
4. The actual monthly Teu/Day usage will be calculated at the end of each month, and in case of exceeding the eligible deductible, minimum fee for the storage of an empty container on existing MIP tariff, per TEU-Day apply for each Teu/Day exceeded.
5. Container lines / shipowners and agencies (separately for each line they represent) who wish to benefit from the application are required to sign a contract by notifying the "Total Annual Volume" they have chosen.
6. The deadline for signing the contract in relation to the subject announcement is 30.04.2024 for customers willing to sign new contracts.

You are kindly requested to circulate the subject announcement to your members and related parties.
