Subject : Import Laden Container Storage Discount Scale

Reference : Announcement no. MIP – 10033-732-3/478 dated 19.02.2019

MIP has updated the conditions of the existing “Import Laden Container Storage Discount Scale” as specified below, entering into effect as of 01.01.2021 and valid until 31.12.2021.

The deadline for signing the contract in relation to the subject announcement is the 31.01.2021 for customers with ongoing contracts and those willing to sign new contracts.

Customers with ongoing contracts with our establishment may apply for the new scale specified below and benefit from the updated conditions.

- 1) Contracts will be applied on a 1 year basis.
- 2) The contract will be signed with the companies or individuals whose names are mentioned in the cargo owner (consignee / shipper) section of the service invoice and Customs declaration. Subsidiaries and affiliates of the contracted customer will be in the scope of the agreement.
- 3) While calculating the container volumes (TEU), laden import containers which have been unstuffed in the port area or gated out of the port either by road or by railway with import or bonded warehouse declarations, will be considered.
- 4) The container unstuffing prices mentioned within the table will be applied if the yearly import laden container commitment is fulfilled, regardless of the number of unstuffing operations conducted.
- 5) In case that the customer provides a letter of guarantee in relation to this application, the CFS prices related to the selected commitment level will be applied starting from the first container and as of the date that the contract is signed.
- 6) The container unstuffing prices specified in the below table are applicable to unstuffing operations conducted with only the use of forklifts.
- 7) The discount provided cannot exceed the total invoiced import storage amount that is paid by the customer within the contract period.

Yearly Import Commitment (TEU*)	Import Storage Discount Ratio (%)	Import Storage Discount (USD)	Unstuffing Price per Container**
1.001-1.750	10%	\$60.000	\$85
