Date : 06.06.2012
Subject: MIP Land Terminal – Free Storage

MIP has decided to apply a 30 day free storage for the dry bulk cargo coming into MIP Land Terminal by railway in order to support railway usage, effective from 1 st of May until a further notice.

The service from wagon to the terminal and inland haulage will be provided by MIP for the export cargoes.

-The terminal handling fee for unloading the dry bulk cargo from wagons to the Land Terminal, storage fee as from 31st day and haulage will be applicable as below.

Terminal Handling Fee : USD 2.00 per ton
Storage fee as from 31st day and after : USD 0.50 per ton/ day

Inland Haulage from land terminal to port
for export dry bulk cargo : USD 1.60 + VAT / per ton

Loading of domestic dry bulk cargo to be
haulaged from land terminal to port on customer truck : USD 0.50 + VAT / per ton

-In case dry bulk cargo is unloaded from open top containers coming by rail, laden container terminal fee will be applied as USD 30 instead of USD 45, empty container fee will be applied as USD 20. No extra CFS charge will be applied for the unstuffing of the dry bulk cargo from the open top container

Open top containers shall be in types and dimensions accepted by the International Standards Organization (ISO)

Terminal fee, storage fee as from 31st day and haulage will be applicable as below.

Terminal Handling Fee: (laden container) : USD 30 per container
Terminal Handling Fee: (empty container) : USD 20 per container
Storage fee as from 31st day and after : USD 0,50 per ton/ day

Inland Haulage from land terminal to port
for export dry bulk cargo : USD 1.60 + VAT / per ton

Loading of domestic dry bulk cargo to be
haulaged from land terminal to port on customer truck : USD 0.50 + VAT / per ton

All other charges will be as per MIP's tariff and applicable announcements.

You are kindly requested to arrange the circular to your members.

Yours sincerely,

Mersin International Port Inc.
