It was circulated with the reference announcement that MIP has ordered 2 Super Post Panamax size shore cranes which are expected to be delivered to our port by the end of December and 250m part of berth 8 will be closed during discharge operations of said cranes.

We inform you that vessel carrying said equipments declared the ETA(estimated time of arrival) as 24 December 2011. Berth 8 will be closed for vessels more than 250m LOA and more than 11.5m draft for one week as of 24 December. Furthermore, after the discharge operations of the cranes, it is estimated that 90m of Berth 8 will not be available for a period about 1 month for commissioning of the new Quay Cranes.

You are kindly requested to arrange the circulation of the subject announcement to your members.

Sincerely yours,
Mersin International Port
