(1) The additional fees stated in the MIP Price List and Specific Conditions in effect will apply to unstuffing service fees of IMO containers, refrigerated containers, containers which are carrying shapeless or pollutant/leaking cargo.

(2) "Additional Storage Free Time" stated in the above table does not apply to plugged in refrigerated containers.

(3) The stated fee will apply (per container) for the first day; for the following days, power supply, plugging, unplugged and storage fees stated in the MIP Price List and Specific Conditions will apply.

(4) The stated fee will apply (per container) for the first three days; for the following days, power supply, plugging, unplugged and storage fees stated in the MIP Price List and Specific Conditions will apply.

Storage, power supply, plug in/out and monitoring discount scales for the refrigerated containers, shall only be applied, in case the customer performs %50 unstuffing of the minimum committed volume in MIP's CFS yards.

The deadline for applications and for the new contracts is as of 12<sup>th</sup> November 2018.
