

Discount of “fresh water” At Mersin Port... Denizhaber, 23.09.2009

After the meeting between MIP and Mersin Metropolitan Municipality, the selling of fresh water commenced to berthing vessels to the port and was started in order to increase “the trade relations” and to provide “high quality& continuous service”. Then, the reduction in the price of fresh water has been declared. Finally, until a second notice from the beginning of September 14, it has been decided to make reductions.

Discount will be given to vessels of the water tariff as following:

- **Till 0-25 ton:** 6 U.S. dollars/ton
- **Till 36-75 ton:** 5 U.S. dollars/ton
- **Till 76-150 ton:** 4.50 U.S. dollars/ton
- **151 ton and over:** 3.50 U.S. dollars/ton
