

Tüzmen's five 'T' formula has started to put in practice step by step.

Mr.Tüzmen promised that by that 5 'T' formula, Mersin will make progress. All the problems in the port has been solved. Now a days Mersin port became as most popular port of the Mediterranean, not only Turkey's. On 14-15 October, in Turkey, first time in Mersin there is going to be a logistiques fair. On theris plans, there is going to be an airport in Çukurova.
